### **Church**

We are a cross cultural church family with many who speak both English and French. Our services are conducted in English. At the present time our congregation is comprised of people of all ages and has a Sunday morning attendance of 80 – 100. Our families come from diverse church backgrounds to worship the Lord together and learn from his Word. Our services are a mix of traditional and contemporary worship with a time of prayer, scripture reading and preaching. Besides our Sunday morning and evening services we have a variety of ongoing ministries including Sunday School, Youth Program, and several Community Groups.
